UNIVERSITY OF LOUISVILLE
ANESTHESIA DEPARTMENT

Fifth Annual Fireworks in Anatomy of Regional Blockade

New revised course now with ultra-sound! Choose from two registration options: Sat. (didactic and work-shops) or Sat. and Sun. (dissection).

This is the only mailing
you will receive for this
one of a kind program.

May 19-20, 2007
Louisville, Kentucky

The Course

This course will provide intense didactic instruction on all the blocks of the upper and lower extremity using nerve stimulator and ultrasound. Workshops with live models will provide hands on instruction in small groups and provide opportunity to examine surface landmarks and individual instruction ultrasound applications for regional anesthesia. The target audience is anesthesiologists.

Sunday will provide a unique one-of-a-kind opportunity to dissect all the sites for regional anesthesia on a fresh tissue specimen. This is an exceptional learning experience even for the practitioner experienced in regional anesthesia. This is limited to the first 16 enrollments and has a waiting list every year. Don't miss out on this wonderful opportunity.

Accreditation

The University of Louisville School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Louisville Continuing Health Sciences Education office designates this educational activity for a maximum of 13.75 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Course Faculty

Laura Clark, MD

Associate Professor of Regional Anesthesia & Perioperative Medicine

Director of Acute Pain & Regional Anesthesia
University of Louisville

Jacques Chelly, MD

Director of Orthopedic Anesthesia & Acute Pain
University of Pittsburg

Steven Clendenen, MD

Senior Clinical Assoc. Anesthesiology
Mayo Clinic
Jacksonville, Florida

Carlo Franco, MD

Chief of Orthopedic Anesthesia
University of Chicago

Alparslan Turan, MD

Assistant Professor of Regional Anesthesia and Perioperative Medicine
University of Louisville

Anu Wadhwa, MD

Assistant Professor of Regional Anesthesia and Perioperative Medicine
University of Louisville

Saturday Agenda

7:30 AM	Registration/Continental Breakfast
8:00 AM	Upper Extremity Laura Clark, MD
8:10 AM	Regional Anesthesia for Carotid Endarterectomy Laura Clark, MD
8:30 AM	Interscalene- Anterior or Posterior Anu Wadhwa, MD
8:50 AM	The Dos and Don'ts of Supraclavicular Carlo Franco, MD
9:20 AM	Infraclavicular VIB And Coracoid Laura Clark, MD
10:00 AM	Break
10:15 AM	The Axillary Approach Near And Far Alparslan Turan, MD
10:25 AM	Ultrasound 101 Steven Clendenen, MD
10:40 AM	What's Different About Ultra-Sound for Regional Anesthesia? Steven Clendenen, MD
11:40 AM	Anticoagulation and Regional Anesthesia Anu Wadhwa, MD
12:00 PM	Lunch/Multimodal Analgesia Alparslan Turan, MD
1:00 PM	Nerve Damage – Before and After – What to Do?/Anu Wadhwa, MD
1:20 PM	Lumbar Plexus Block/Jacques Chelly, MD
1:40 PM	Femoral/Lateral Femoral/Obturator/Paravertebral Steven Clendenen, MD
2:00 PM	Sciatic Block From Top to Bottom or “Bottom to Bottom” Carlo Franco, MD
3:00 PM	Workshops: Ultrasound Upper Extremity, Upper Extremity, Lower Extremity, Ultrasound Lower Extremity
5:00 PM	Adjourn

Sunday Agenda

7:30 AM	Registration/Continental Breakfast
8:00 AM	Dissection Of Fresh Tissue Specimens
1:00 PM	Evaluation and Adjourn

MEETING SCHEDULE - PLEASE NOTE

This program is normally held on the same weekend as Thunder Over Louisville, the world's largest fireworks display which is held in conjunction with the Kentucky Derby Festival. Due to a scheduling conflict with the ASRA National Meeting, this year's program is not being held during Thunder Over Louisville.

Learning Objectives

1. Demonstrate solid base of knowledge of the anatomy pertinent to the performance of regional anesthesia.
2. Identify the relationship of the nerves and surrounding tissue including muscles, veins, and bony structures.
3. Perform upper and lower extremity nerve blocks.
4. Become familiar with the application of ultrasound as it relates to regional blockade.

OUTCOME: Physicians will have the knowledge and skills to provide better patient care and promote better patient outcomes.

Hotel Information

A block of rooms has been reserved at the Hampton Inn, 101 E. Jefferson St., for \$109 plus tax per night. To reserve your room, call 502-585-2200 by 4/20/07. Please mention that you will be attending the U of L Fireworks In Anatomy of Regional Blockade program. The hotel provides a free shuttle to the airport and is within walking distance of the program site. A shuttle will also run from the hotel to the program site.

Course Location

University of Louisville Health Sciences Center, 500 South Preston Street, Louisville, Kentucky. For driving directions, go to www.mapquest.com.

Refund Policy

Requests for cancellation must be submitted to chse@louisville.edu on or before May 1, 2007. Requests received on or before May 1, 2007 will receive a full refund less a \$50.00 processing fee.

Special Services

To request disability arrangements, contact Continuing Health Sciences Education (CHSE) at 502-852-5329 at least 10 days prior to the conference. CHSE fully complies with the legal requirements of the ADA and the rules and regulations thereof.
